OVERVIEW

The **Asia Oceanian Congress of Neuro Rehabilitation (AOCNR) 2025** is a distinguished scientific conference that brings together leading professionals, researchers, and industry experts in the field of neurorehabilitation. Themed *"Neurorehabilitation: The Future Trends from Hospital to Community,"* this congress will showcase an array of academic discussions, hands-on workshops, educational sessions, plenary lectures, and panel deliberations. Key topics will include the latest advancements in neurorehabilitation, dysphagia management, spasticity treatment, and the integration of cutting-edge technology such as robotics and neuromodulation.

AOCNR 2025 is organized in collaboration with the **World Federation for Neuro Rehabilitation (WFNR)**, the **Asia-Oceanian Society for Neuro Rehabilitation (AOSNR)**, and the **Indonesian Association of Physical Medicine and Rehabilitation (PERDOSRI)**.

Beyond its scientific contributions, this event serves as an invaluable opportunity to support the Indonesian government's initiatives in promoting tourism and cultural heritage, particularly highlighting the rich traditions and historical significance of Yogyakarta.

We warmly invite esteemed organizations to collaborate with us in ensuring the success of **AOCNR 2025**.
